

General Rules for ALL Index Classes

1. Heads up, 1/8 mile, .400 Pro Tree
2. Any size tire
3. Car / truck must meet IHRA Safety rules
4. Drivers must have class appropriate IHRA or NHRA license.
5. If you run faster than the INDEX ET during eliminations, you will be disqualified. If both drivers run faster than the INDEX ET, the driver closest to the index will be the winner.
6. All run field
7. If the staging lanes are single file there will be a coin toss for lane choice.
8. There is no ladder. You will run the car beside you, in front of you, or behind you.
9. The driver that is closest to the index ET (without running under) on the last time run will receive the first round bye.
10. After first round, the bye run will be determined by the best reaction time from the previous round. Bye runs do NOT carry to the next round in the event of even cars.
